

The Service has submitted information collection requirements to the Office of Management and Budget (OMB) for review and approval under the Paperwork Reduction Act of 1995, Pub. L. 104-13. On May 26, 1999, OMB gave its approval for this information collection and confirmed the approval number as 1018-0100. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The information collection solicited: is necessary to gain a benefit in the form of a grant, as determined by the North American Wetlands Conservation Council and the Migratory Bird Conservation Commission; is necessary to determine the eligibility and relative value of wetland projects; results in an approximate paperwork burden of 80 hours per application; and does not carry a premise of confidentiality. The information collections in this program will not be part of a system of records covered by the Privacy Act (5 U.S.C. 552(a)).

Dated: July 1, 1999.

John G. Rogers,

Acting Director, Fish and Wildlife Service.

BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

North American Wetlands Conservation Act: Request for Evaluation Grant Proposals for Year 2000

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of information collection; correction.

SUMMARY: The purpose of this notice is to correct an Office of Management and Budget (OMB) information collections clearance number cited erroneously in a previous **Federal Register** announcement requesting proposals for evaluation grants, as provided for by the North American Wetlands Conservation Act.

FOR FURTHER INFORMATION CONTACT: Dr. Keith A. Morehouse, Small Grants Coordinator, North American Waterfowl and Wetlands Office, 703/358-1784; facsimile 703/358-2282.

SUPPLEMENTARY INFORMATION: On Wednesday, May 26, 1999, the Service published a **Federal Register** notice of request for proposals for the evaluation grants program (64 FR 28504) to be conducted under the authority of

section 19 of the North American Wetlands Conservation Act of 1989, as amended. The evaluation grants program seeks to evaluate the wetland conservation effectiveness of the ongoing Small and Standard Grants programs. The referenced notice signaled the initiation of the new program but cited incorrectly that the OMB clearance number is 1018-0100. The OMB information collections clearance number 1018-0100 is in fact that for the Small and Standard Grants programs, approved on May 26, 1999. The emergency clearance number provided by OMB, on 06/04/99, for information collections under the evaluation grants program, and the one that should have been cited in the request for proposals, is 1018-0104. This emergency approval expires on November 30, 1999. Also, the May 26 notice should have advised that the anticipated paperwork burden for applicants is 8 hours for a preproposal and 40 hours for a proposal.

Dated: June 28, 1999.

Daniel Ashe,

Assistant Director—Refuges and Wildlife, Fish and Wildlife Service.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[ID-065-1220-00]

Notice of Restriction Orders for BLM Lands within the Lower Salmon River Recreation Area from Vinegar Creek to Hammer Creek, Orders No. ID-060-16 and ID-060-17

AGENCY: Bureau of Land Management, Upper Columbia-Salmon Clearwater District, Idaho.

SUMMARY: By order, the following restrictions apply to all public land administered by the Bureau of Land Management within the Lower Salmon River Recreation Area from Vinegar Creek (river mile 112) to Hammer Creek (river mile 53), Idaho County, Idaho.

The following acts are prohibited yearlong:

1. Building, maintaining, or using a fire or campfire.

The following persons are exempt from this order:

A. A person with a burning permit for fires other than campfires, cooking fires, or warming fires;

B. A person using any of the following types of equipment:

1. **FIREPAN, INCLUDING PORTABLE BARBECUE WITH GRILL:** A device

made of fire-resistant material or metal, with raised edges of a height sufficient to contain all ash and residue from a wood or charcoal fire. All ash and wood or charcoal residue must be packed out, including partially consumed briquets.

2. **GAS STOVES:** Pressurized liquid or gas stoves including space heating devices.

3. **PERMANENTLY INSTALLED FIRE RINGS AND GRILLS IN DEVELOPED RECREATION SITES:** For the purposes of this closure, developed recreation sites are Spring Bar, Allison Creek, Shorts Bar, Riggins City Park, Lucile, Slate Creek, Skookumchuck, and Hammer Creek.

4. **ENCLOSED WOOD STOVE:** A fully enclosed stove for burning wood or charcoal. The stove must be enclosed on six sides with 1/4 inch or smaller screening covering the chimney opening. Ash and wood residue must be packed out.

C. A person on public land more than 200 feet from the edge of the Salmon River.

2. Operating non-valid watercraft on the Salmon River between Vinegar Creek (river mile 112) and Hammer Creek (river mile 53). The area between the Lucile Bridge (river mile 76.5) and the Deer Creek Bridge (river mile 53.7) is exempt from this restriction between the dates of April 1 and September 15 each year.

Non-valid watercraft on the Lower Salmon River are those types of equipment that were not traditionally and commonly being used for recreational purposes on this section of the river prior to 1999 when the Recreation Area Management Plan Revision for the Lower Salmon River Recreation Area was approved.

Non-valid Types of Watercraft

Include: Personal water vehicles such as jet skis, air boats, motorized surf boards, wind surf boards, sailboats, hover craft, winged watercraft, any powerboats equipped with an over the transom exhaust system, amphibious craft, mini submarines, powerboats under 12 feet in length and designed to carry a maximum of two passengers, watercraft that must be straddled when ridden by the operator and/or passengers, devices towed behind a powerboat for recreational purposes (such as water skis, kneeboards, and various types of tubes), and devices attached to a fixed point on the bank for purposes of surfing or water skating.

Authorized Float Boats Include:

Sweep boats, pontoons, catarafts, inflatable rafts, rigid hull and inflatable kayaks, canoes, dories, drift boats, and inner tubes. They may be propelled by paddles, oars, motors, or other devices,
